Dear Friends,

2008 Calendar

We have sent to you via regular mail a pocket calendar for 2008. We hope you find this calendar handy for reference.

Team News

As many of you know by now Shantel (or "Shan") who for the last year has helped with our business office has moved to Boise, Idaho with her husband, Danny. They are looking forward to starting both a new family and to expand Danny's graphic design business. We will all miss her! Soon we will introduce her replacement to you.

Angie celebrated her 6th anniversary with the practice this month. She and husband, Michael, and daughter, Heather, enjoyed a quiet holiday with family and friends. Cindy is actively involved with her daughter, Lea, in cheerleading and hip hop and loves spending time with the girls. April took an exotic trip to several places in Thailand and loved the country's people, food and peacefulness. In a separate trip Dr. Ross also visited Thailand where he visited the University of Chiang Mai School of Dentistry. He also appreciates the Thai culture and the amazing "Land of Smiles."

2008 Insurance Benefits

Patients appreciate a reminder that as the year begins a new annual maximum benefit can be used for recommended dental treatment. If you have outstanding treatment needs and have any questions, please call our office and we will be happy to help you maximize any dental insurance benefits you have for 2008. Please remember that each year you have a maximum annual benefit or "cap" to any dental insurance plan.
